2023 Reservations

We have learned that in 2023 they will be doing road construction on county road 8 in front of the campground. We predict that county road 8 will be down to gravel for at least part of the summer. Therefore, we are taking reservations for the 2023 season at time of checkout this year, to find out how many folks are willing to come off exit 90 in Brandon and travel 1/4 mile on gravel from the bridge to our driveway.

We are considering making more of our sites seasonal or monthly for the 2023 season. If you are interested in doing a seasonal or monthly site next summer please visit the office for more information.

Things to do In the Alexandria Area

If you are new to our area and are looking for some fun suggestions of things to do, we have brochures in the office and laundry room. Some of our favorites are the local wineries, distillery and breweries. Casey's amusement center, a picture with Big Ole is a must. The Boat and Runestone Museums. The area offers some great hiking and biking with the rail trail and Kensington and Brophy parks. Walk to the top of Inspiration Peak and enjoy a great view of our county. The farmers market is Tuesday morning, Thursday afternoons and Saturday mornings. Thursday evenings enjoy music on the courthouse lawn. Whatever it is you are looking for we can help you find it.

There are several great restaurants in the area for breakfast, lunch or dinner.
